

Humboldt Soccer League Manager Expectations

- ⚽ Attend the mandatory manager's meeting (or contact your commissioner and send a representative).
- ⚽ Register yourself at www.humboldtsoccerleague.com.
- ⚽ Instruct players to register online (www.humboldtsoccerleague.com) prior to the deadline for each season. Beyond this deadline players registering as needing a team will be added to rosters carrying the fewest players until all players needing a team are registered or until all rosters reach 16 players. Every effort will be made to add players equitably based on skill level, the need for female players, etc. To avoid having players placed on your team, please make sure your players register on time. Though you may accept as many players beyond 16 as you like, HSL cannot guarantee a placement for players registering late once the team manager determines her/his roster is full. Players **MUST** be registered to play: **No Exceptions**. Player passes for individual games are not an option.
- ⚽ Remind players to arrive 15 minutes before check in and have a photo ID at every game.
- ⚽ Make sure your team has uniforms, which at the very least should consist of matching jerseys **with numbers**. A good manager will also bring extra numbered jerseys.
- ⚽ Ensure your team has 9 players (two of them women in co-ed leagues), and ideally a full 11 (7 men and 4 women in co-ed leagues), at kick-off. Teams not meeting this minimum will be considered to have forfeit the game. **If your team forfeits TWO or more times, you will NOT be refunded your registration fee at the end of the season.**
- ⚽ At each game, supply the referee with a team roster card (you will get these from your commissioner).
- ⚽ Assist the referees in ensuring that all players arriving late check in with photo ID with the referee.
- ⚽ Be supportive of the referees, display good sportsmanship, and encourage good sportsmanship among teammates.
- ⚽ **Print, sign and submit this form to your league commissioner by the first game.**

Game-Day Timeline

- Players must arrive 15 minutes prior to check in.
- Teams check in (**with photo IDs and roster cards**) with referees at the top of the hour.
- Games kick off at ten after the hour. **Teams with FEWER than 9 players (at least two of whom are women in co-ed leagues) will be considered to have FORFEIT the game at this point.**
- Late-arriving players with photo ID may check in with the referee's assistant until such time as their team is at full strength. Any additional late players may check in at half-time and **MAY NOT** play until the second half.

Good Managers Play for FREE! Managers whose teams meet these expectations will have their registration fee refunded after the season.

I understand HSL's expectations for managers and agree to do my best to meet these expectations this season.
