

How To Print a Roster w/ Pictures

1) Start by logging in to your account. Your first screen will show you all the teams for which you are registered in any role. Click on the team name next to the registration that shows your role as "Coach" or "Manager." (see below)

Register Now Mauro Edit

- HSL Fall 2011 Season -> Men's Over 30/37- Tuesday night
Dirty Dogs Role:Player
[View Order](#) [View Consent](#)
- HSL Fall 2011 Season -> Co-Ed 25/30- Saturday afternoon
Clockwork Orange Role:Player

- [Print Roster](#)
- [Email Team](#)
- [Manage Teams Info](#)

3) You will now see a roster of your players with pictures (if they have them) (see below). **Print this roster.** Unfortunately, none of the options under "Print Roster" will give you pictures. **Important:** To include numbers on your roster, you will either have to handwrite them on the roster with pictures, or print a second "Game" roster from the "Print Roster" menu, which will include numbers.

Notice that you can upload pictures for your players here. Simply click here and upload a picture they send you or that you take on the field.
